# **Quarterly Report**

## **April 2024 to June 2024**

**Town of Atherton**

Mixed Compostables, Recyclables, and Yard Trimmings Franchise Agreement

July 15, 2024

George Rodericks  
Anthony Suber  
80 Fairs Oak Ln  
Atherton, CA 94027

Dear George and Anthony,

Enclosed is the report for April 2024 to June 2024, as required by the Collection of Mixed Compostables Recyclables and Yard Trimmings Agreement between the Town of Atherton and GreenWaste Recovery, LLC.

The following are highlights of this report:

- i, ii, iii Mixed Compostable, Recyclables and Yard Trimmings Material Data
- iv C & D Debris Data
- v Public Schools
- vi Non-Collection
- vii Collection Overage Charges

It has been a pleasure servicing the Town of Atherton and its residents. We are pleased with the positive response we have received from the residents and look forward to continue servicing the Town of Atherton.

Sincerely,  
Gar-Ying Chan  
Financial Planning & Analysis Manager

**GreenWaste Recovery, LLC - Q2 2024 Report**

**i, ii, iii. Mixed Compostable, Recyclables and Yard Trimmings Data**

*Include quarterly totals, Processing Residue rate, and location for Processing Residue disposed.*

**Q2 2024**

Customer Name	Material	Total	*Diversion	Total Trash tons	Total Recycled tons
GREENWASTE - ATHERTON	CURBSIDE RECYCLABLES 1	296.65	72.45%	81.72	214.93
	CURBSIDE RECYCLABLES 2	5.89	54.09%	2.70	3.19
	OFFICE RECYCLABLES 2	54.62	54.09%	25.08	29.54
	PROCESSED COMPOSTABLES 2	708.48	56.04%	311.43	397.05
	BULKY ITEMS	8.27	15.13%	7.02	1.25
	ELECTRONICS-IN	1.62	62.09%	0.61	1.01
	YARDWASTE - IN	2,028.89	99.00%	20.29	2,008.60
<b>Grand Total</b>		<b>3,104.42</b>		<b>448.85</b>	<b>2,655.57</b>

**Total Diversion Rate: 85.54%**

**\*We have applied the June 2024 diversion rates to the Q1 2024 tonnages, except for Bulky Items where the February 2024 diversion rates were used.**

**We are in the process of working with CalRecycle on updating the diversion rates.**

**GreenWaste Recovery, LLC - Q2 2024 Report**

**iv. C&D Debris Data**

*The number of gross tons of C&D Debris collected for the preceding quarter.*

<b>Material</b>	<b>Total</b>	<b>Diversion</b>	<b>Total Trash tons</b>	<b>Total Recycled tons</b>
C&D	46.47	75.83%	11.23	35.24
CONCRETE3	6.2	98.90%	0.07	6.13
DIRT	14.88	98.00%	0.30	14.58
MISC.DB	7.02	47.90%	3.66	3.36
MIXED	32.68	75.83%	7.90	24.78
YARDWASTE	23.41	99.52%	0.11	23.30
<b>TOTAL</b>	<b>130.66</b>		<b>23.26</b>	<b>107.40</b>

Total Diversion Rate: 82.19%

**GreenWaste Recovery, LLC - Q2 2024 Report**

**v. Public Schools**

*List of Service units of public schools within Town limits and current service level by material type for each.*

While GreenWaste does not service any public schools in the Town of Atherton, GreenWaste proactively visited a few private schools within the Town to assist and extend the outreach and education regarding the services provided by GreenWaste. We offered various options ranging from waste assessments, waste audits and recycling educational presentations to staff members, students and educators.

On January 17, 2024, GreenWaste Outreach team conducted an onsite visit to Menlo Lower School, Menlo Upper School, Sacred Heart and Menlo College. The purpose of the onsite visits was to introduce GreenWaste's outreach team members, drop off their contact information and educational materials such as recycling, mixed compostables and/or yard trimmings sorting guide posters.

On January 23, 2024, GreenWaste Outreach team met in person with the Director of Sustainability at Menlo School, Chrissy Orangio. The initial meeting entailed a discussion and game plan on participating and conducting a school assembly or recycling presentation to staff and students about the proper way to sort and dispose of trash, recycle and compost materials into the correct cart and/or bin. The meeting also included a walk-through waste assessment discussion of the school's waste management and the three-cart system currently utilized inside of the cafeteria and outside on the quad area. Our team also met and spoke with the Food Director, Thien regarding food recovery and how to reduce food waste and disposable/compostable food ware.

In celebration of the 2024 Annual Earth Month, on April 24, 2024, Menlo School invited GreenWaste Outreach team back to campus to participate in their Eco Act Week Event for the lower and upper school students. GreenWaste hosted a presentation and conducted a friendly competition by providing a visual and interactive "spinning the wheel" game that show cased pictures of different materials ranging from trash, organic or recycling materials. Students were given a chance to test their knowledge by making the best guess they could on which of the three materials they were presented would go in the correct cart and or bin on campus. By playing this game, it allowed students to learn and refresh their memory on how to properly sort materials from the cafeteria into the correct waste bin.

On May 21st, 23rd and 28th, GreenWaste Outreach team attended a trash, recycling and food waste audit at Menlo School. GreenWaste conducted a brief "What Goes Where" mini presentation inside the Theater Auditorium for three different student groups (lower and upper school). The purpose of the event was to introduce and show students the amount of food waste that was being thrown out and how to redirect all the organic material to be thrown into the compost bin on campus. The outcome was on how to reduce and prevent contamination levels inside the recycling containers and to continue to place all food waste/organic materials into the correct compost bin.

The two schools we are continuing to follow up with are Sacred Heart School and Menlo College. Our Outreach team have been in contact with Sacred Heart and are still working with them on scheduling a recycling presentation for their students. At the time we visited Menlo College earlier in the year, their team informed us that they were short staffed and going through a transition with onboarding new employees. We will continue to follow up and work with them as well.

GreenWaste Recovery, LLC - Q2 2024 Report

vi. Non-Collection

Each Service Unit receiving a Non-Collection Notice for the quarter.

Account #	Date	Units	Service Code	Route	NCN Category	Workflow	Completion Notes
