

The Public Works Director oversees general Park maintenance and activities. The Park has several contract service personnel and vendors that manage various activities at the park.

Park Event Services are typically provided via contract. With the departure of Catered Too, temporary personnel have been contracted to manage all park events and rental services, to include rental of fields, buildings, and picnic areas until a permanent vendor is contracted. MCE provides facility support on a Task Order basis. BrightView Landscaping provides landscape maintenance services for the park. Player Capital provides management and general maintenance of the six Tennis Courts.

There are three (3) structures available for event rental at the park – the Carriage House, the Main House, and the Pavilion. Outdoor venues may also be rented, and these include the Event Garden, Water Tower Green and North Meadow. Picnic areas in the park may be reserved for small group day rental. Menlo Atherton Little League manages and maintains the Willie Mays Ball Field.
