# QUALITY SITE ASSESSMENT

## Town of Atherton Town Center

### Maintenance Items

**1** Turf is looking much healthier and Greener.

**2** Our crew is keeping the walkways and drains out of debris and leaves. The Park is looking nice and clean overall.

**3** Our crew have been spraying for weeds. And the turf areas are looking better now, free of weeds.

**4** The crew is working on the playground areas all around. Deep cleanup and some trimming has been completed.

### Completed Items

**1** Healthy plants is one of our main focuses! It's in our crews duties to maintain all hedges and shrubs in good shape and condition, they started pruning and trimming as necessary.

**2** Turf is been mowed every Wednesday as usual. We noticed yellow spots have appeared and we are giving it extra time to water.

**3** Play Ground is looking great. Our team is scheduled to raise the trees as needed.

**4** The Park is looking nice and clean. Our crew works hard on blowing debris and they do some deep cleanups as time permits.
