Hi Radha,

We met the new owners of the property and understand their plans to re-orient their house to face North. We don't object to this change.

Thanks,

Noah and Sarah Eisner

hi radha, my name is adam miller, and i'm one of the owners of 420 selby lane, along with my wife shelley who is cc'd.

we have been in contact with our new neighbors rula and ford tamer at 80 coghlan, who are seeking a front/rear lot redesignation, allowing the new house to face north at the front. we have no objections to this.

please let us know if you have any further questions. thanks!
