To the Town of Atherton – Planning and Building Department Team,

We, Jon and Karen Park, the owners of the property at 2 Heather Dr., would like to withdraw the front lot line re-designation application and kindly inquire refund (partial and full) for the procedure. The original application was submitted due to misinformation that we could not put an ADU in the "front", but as planning department in the town of Atherton clarified that we could, we would like to withdraw our application.

We truly appreciate your guidance and support.

Best,

Hye Eun Karen Park
