

recreational opportunities in the park; to provide an accessible picnic area and additional pathway improvements, landscaping and other site amenities.

NOW, THEREFORE, in consideration of the mutual promises, covenants and conditions herein, the County and Project Applicant agree as follows:

SECTION I. PROJECT APPLICANT RESPONSIBILITIES

1. Project Applicant, at Project Applicant's sole cost and expense, will perform or cause to be performed in the attached Scope of Work, and the Project Applicant shall act promptly and without delay with respect to such matters in relation to the Project. In performing the Project, the Project Applicant will:
 - a. Prepare all environmental documents and take all other actions required for approval and completion of the Project pursuant to the California Environmental Quality Act and any rules and/or regulations promulgated thereunder.
 - b. Secure all approvals by government agencies required for completion of the Project.
 - c. Publicly acknowledge the Grant by providing a plaque permanently affixed to the Project, or on a prominent location on the Project site, visible to the public. The acknowledgement credit shall read: "Project made possible in part by funding from the County of Santa Clara." Project Applicant will obtain County review and approval of the plaque/sign prior to manufacture and installation.
 - d. Publicly acknowledge the Grant by giving credit to the County in project-related materials including newsletters, brochures, and internet messages.
 - e. Submit a Project progress report to the County no later than November 1 and May 1 of each year, until the Project is completed and reimbursement received.
 - f. Provide any requested documentation about the Project to the County for review before construction work begins in order to ensure that the proposed Project is consistent with the purposes of mitigating the adverse effect on recreational opportunities for existing or new development approved by the 2000 Stanford University General Use Permit.
 - g. Comply with the following conditions for the grant funding as approved by the Board of Supervisors:
 - i. Expend Grantee Cash Contribution

Bond Act Sign

A sign acknowledging the California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access for All Act of 2018 as the funding source for the project must be installed during construction and at completion (PRC §80001(b)(3)). If appropriate, the same sign can be used during construction and completion.

Sign requirements

The sign must be available during construction, at the final inspection of the PROJECT, and remain in place for a minimum of four (4) years from date of PROJECT completion. There is no minimum or maximum size other than the minimum size for the logo, as long as the sign contains the required wording.

Sign Language

All signs must contain the following language:

GAVIN NEWSOM, GOVERNOR

Wade Crowfoot, Secretary for Natural Resources

Armando Quintero, Director, California Department of Parks and Recreation

Use the names of the current officials. The name of the director of the local agency or other governing body may be added. The sign may also include names (and/or logos) of other partners, organizations, individuals and elected representatives.

Logo

All signs must display the Parks and Water Bond Act. Display the logo to maximize visibility and durability.

Logo Artwork:

- [Proposition 68 \[JPG\]](#)
- [Proposition 68 \[PDF\]](#)
- [Proposition 68 \[PNG\]](#)

Sign Construction

All materials used shall be durable and resistant to the elements and graffiti.

Sign Cost

The cost of the sign(s) is an eligible PROJECT cost. Permanent signage is encouraged.

Appropriateness of Signs

For projects where the required sign may be out of place or affected by local sign ordinances, OGALS may authorize a sign that is more appropriate to the project.

State Approval

GRANTEE shall submit the proposed number, locations, size, and language of signs for preliminary review. Final payments will not be processed until post completion signage has been approved and installed.
