

Attachment B: Recommended Budget for Battery Electric Land Care Workshop

The Environmental Programs Committee (EPC) is recommending that the City Council approve a budget of \$6,500 to bring a workshop to Atherton to train landscapers on battery electric land care equipment and operations. The budget includes:

| Budget Item | Amount |
|--|----------------|
| American Green Zone Alliance Training Fee | \$3,000 |
| Postage for mailer to all households | \$500 |
| Printing for mailer to all households | \$2,000 |
| Refreshments for Attendees (estimated 50) | \$500 |
| Marketing and Outreach Expenses | \$500 |
| TOTAL | \$6,500 |
