PARK AND RECREATION COMMITTEE – REGULAR AGENDA

TO: PARKS AND RECREATION COMMITTEE

FROM: SALLY BENTZ-DALTON – PARK MANAGER

DATE: MARCH 1ST, 2023

SUBJECT: TENNIS PROGRAM AREAS FOR PARK & REC COMMITTEE TO CONSIDER TO REVIEW

Discussion

Michael Jessup will be attending the April Park & Rec meeting to give his review of the tennis program.

What tennis program aspects does the committee want to look at. Some possible ideas are:

- Clay court conditions and improvement options
- Tennis key purchases year by year - growing, stable, or declining
- Player Capital court allocation vs. key holder court allocation
 - Is there an understood or contractual allocation for each?
 - Should the allocation be adjusted?

Attached is Player Capitals Contract and amendments for your review.

Once there's a consensus on the tennis program aspects, committee members will have had time to mull the questions of interest/concern over and make thoughtful recommendations by April. Michael will also know what we're interested in and can be prepared to answer questions and make recommendations as well.
