Maintenance Items

1 Turf is in great looking color and very healthy. We will continue with the fertilization schedule and killing the weeds as well.

2 Soon we will have to start filling out the tree irrigation bags. The soil is still nice and moist with the rain. All the new trees are doing well.

3 Roses, shrubs in general are looking in good shape and very healthy as well.

Notes to Owner / Client

1 The team is keeping an eye on the fallen trees. Just to keep the yellow caution tape all around areas that is a safety hazard.

2 Playground is looking nice and clean. Agustin our crew leader reported a safety hazard in one area and will remain closed with caution tape, to prevent an accident.
