CITY COUNCIL STAFF REPORT – CONSENT AGENDA

**TO: HONORABLE MAYOR AND CITY COUNCIL
GEORGE RODERICKS, CITY MANAGER**

FROM: STEVEN D. MCCULLEY, POLICE CHIEF

DATE: MARCH 15, 2023

**SUBJECT: ANNUAL REPORT REGARDING USE OF MILITARY
EQUIPMENT PURSUANT TO AB 481**

RECOMMENDATION

It is recommended that the City Council accept the AB 481 Annual Report, take public comment, and direct staff to post the report pursuant to Government Code 7072.

BACKGROUND

In January and June of 2022, the Council was informed of Assembly Bill 481 (AB 481), codified in Government Code §§ 7070, 7071 and 7072, which prescribes certain procedures for law enforcement agencies as they relate to the funding, acquisition, and use of military equipment, as defined. Among the required procedures, a law enforcement agency that receives approval for a military equipment use policy is required to submit to the governing body an Annual Military Equipment Report for each type of military equipment approved by the governing body within one year of approval, and annually thereafter for as long as the military equipment is available for use.

With approval of Council this report will be made available to the public on the Town's website.

ANALYSIS

AB 481 has designated certain types of law enforcement equipment as "military equipment." As noted in a prior Annual Military Equipment Report, the Police Department has equipment that meets the criteria. Attachment A is the required Annual Military Equipment Report for 2023. The Report for 2023 has been updated to include the authorized purchase of the Unmanned Aerial System (Drones).

FISCAL IMPACT

None.
